

The 'Hastings Line 2017' Capital-to-Coast Walk Information Pack

This information pack is available online at <https://ralphpalfreywalks.wordpress.com/> (or search for 'palfreywalks'). Paper copies are available for £2.00 on the walks or by applying in person to Ralph Palfrey, 51 Glanville Road, Bromley, Kent, BR2 9LN, telephone 020 8460 7215. Updates will be notified on the website.

In 2007 Ralph Palfrey devised a long distance path of about 77 miles from the site of the original Charing Cross (in Trafalgar Square), the official centre point of London, to Hastings seafront. We passed all stations on the connecting railway line.

This second set of walks will be by a series of nine linear station to station stages. These are included in the public walks programme of Environment Bromley (EnBro) for 2017.
